PointOne ReLaunches Agent Program

Austin, February 1, 2007—PointOne today announced their latest Agent program. This Agent program is designed to highly incent existing and new PointOne Agents. The commission structures in this plan are one of the most lucrative programs in the United States for participating Agents. The program will be introduced at the Channel Partner Show in Las Vegas in March which is one of the largest shows for Agents in the US. PointOne will also be exhibiting at the show.

This latest program from Pointone provides training and certification in all aspects of telecommunications. The program is designed to help educate the Agent in packet based networks as well as the best way to sell VOIP and the entire suite of next generation integrated products.

About PointOne

PointOne operates the largest VOIP network in North America. The 100% enhanced services IP network incorporates industry leading, next generation technology end-to-end, coupled with patented, proprietary IP applications and processes. PointOne's class of service quality has earned the company industry-wide recognition. Additionally, the company is recognized as a 2002 and 2004 Pulver 100 company. PointOne was named Internet Telephony 2004

service provider of the year and 2004 Frost and Sullivan “Best Bang for the Buck” VoIP Award. PointOne established in 1998, is a privately held company headquartered in Austin, Texas.
